

WORLD SOIL DAY CELEBRATIONS

Department of Geography & Geoinformatics
Bangalore University, Bengaluru

4. SOIL PAINTING

A soil painting involving students, research scholars was organized during the world soil day celebration held by Department of Geography & Geoinformatics, Bangalore University, Bengaluru, India during 2017. The event contributed to improved awareness on soil erosion, soil degradation, top soil loss etc and discussed methods overcome these problems.

A few photographs of the Soil Painting is given below.
